## Youth Committee Corner

### A Note from Grace:

I hope everyone is having a great January. My month has been pretty busy, with some focus on my upcoming freshman year of college. I've interviewed for a spot in a couple of theater programs, and that got me thinking about past roles that really fueled my love of theater. So now I'm curious — what has fueled YOUR love of theater? Was it a role that you had, a performance that you saw, or something else? Drop me a line with your thoughts or pictures, and I'll share them on our Instagram account — @cstheatre.
