A NOTE TO THE CST FAMILY:

To CST Friends,

I just wanted to take a minute to let you know how much your support meant to me these past few years. It's been said, "It takes a village to raise a family," and it does.

Center Stage has always been family to me, and these past few years - due to the pandemic - have been challenging.

Thank goodness for the patience and support of the board, members, and our patrons, because we made it through the pandemic as a family with grace.

I always tried to think what was best for CST and our patrons. I want to thank my board for standing by CST and me. We learned new ways to have our meetings, we put the health of our members and patrons first, and we have had to make some difficult decisions. My board is the best and I will miss working with each of you. I know you will be doing great things with Sandra, and I can't wait to see new, fresh ideas.

I want to thank our members for their passion to help where and when needed.

And I want to thank our patrons for your continued support and trust in CST to bring you quality shows.

I know CST will be in great hands with Sandra and her board, so let's get out there and help grow our CST family!

Again, thank you for letting me be your president.
