To Whom it May Concern,

Center Stage Theatre is Goldsboro's longest running non-profit community theatre group, and we have come a long way in the last few years. We are very proud to be celebrating our 42st season and have many great things in store.

The season starts out with a Bonus Show, *The Odd Couple*, this classic comedy tv show will follow Felix Unger and Oscar Madison as new roommates. There is sure to be plenty of laughs. Our first Musical will bring the box office hit *9 to 5 the Musical* to the stage, watch 3 unlikely friends take control of their office and learn there is nothing they can't do, even in a man's world. Our Christmas show brings a favorite Christmas show to the stage, *A Christmas Story*, enjoy Ralphie, his family, and friends in this classic show. You will want to come see this show over and over again. In our next show, *12 Angry Jurors* we get to experience what happens when the jurors are behind close doors of the jury room. Our season final show will be a classic, Hello Dolly. This show is certain to thrill and entertain our audiences each night.

The ability to expand our offerings each season can be attributed to the fantastic volunteer members of CST and to people like you. Generous donations from the Wayne County communities have kept CST alive. Every donation helps and goes straight into our productions. In one production, ads were seen by 1100 people this season. This is a great opportunity to bring awareness to your business or organization. CST is a 501(c)3 non-profit group, so donations are tax deductible, and you can be sure your money is being put to good use. All CST actors, directors, crew members and board members are volunteers, and we all do this for a love of theater and a wish to provide quality entertainment to Wayne County and beyond.

Attached to this letter are details on our sponsorship levels and the benefits. Please consider becoming a sponsor of Center Stage Theatre, and help support your local community theatre.
